Business Meeting: 1st Wednesday of Month—Except this month (July 10, 2024)

July 2024

Brothers, Ocean City Lady Knights Auxiliary members, and Friends of the Knights:

Worthy Brothers, Happy New Year to the Council, we can make the 2024/2025 fraternal year the best. Thank you for the vote of confidence and support as I take on the Grand Knight responsibilities. With your support WE will move OUR organization to the next level. I would like to thank Jim Matthews for his hard work and commitment to our council and the Knights' Organization. His weekly notes were informative and inspirational. Jim also found time to support almost every activity. Jim, a job well done!

My leadership style is open and transparent, it's all about working together as a team, listening to all sides of an issue, open and frank dialogue, no hidden agenda and in most cases finding a compromise that will yield the best results – no winners no losers. Together we will make important decisions, and then we all will get on the bus and implement them together. I like face to face conversations or phone calls when necessary. I like emails and text messages the least, unless time is a factor. This style of communication and leadership will only work if we are open and frank with each other.

A few upcoming events in July: Knights Corn Hole competition in Sailsbury, July 20th at St. Francis de Sales. Come on out and cheer on the team. Meet other Knights from Pocomoke and Sailsbury, pick their brains and who knows what we will learn. Officers' installation will take place on July 24th at 6:30 PM. It will be a special event for the Ocean City Knights. We will install officers for the Council, Assembly, Lady Knights, and recognition of the Columbus Club Directors and leadership team. All Knights and spouses are encouraged to attend if possible. Be there to support the Leadership teams, working for all of us to grow the Ocean City Knights. Recommended dress for the Officers is a coat and tie. Kevin will provide a lite fair after the ceremony. Father Martin, our Chaplin will attend, and Father Jennings will attend after confessions.

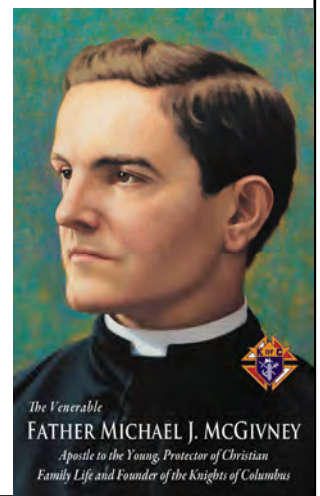

I have developed some personal goals for the upcoming year, I would like to make them OUR goals. I am open to dialogue and ideas from each of you. As a council, we will continue our charity work and expand where possible, grow our ranks with new members and transfers, increase opportunities for spiritual growth, and have a Knight revival campaign to encourage current members to become active in the Council activities (even if it means just showing up for a community supper, crab night, breakfast or Thursday rosary). We will let our inactive Brothers know they are welcomed and missed, we will check on their family and health status, and offer rides if needed. I would like to get together in August to brainstorm and formulate a plan and strategies for membership growth. Finally, I have asked Lou Guido to Chair a Breakfast Committee to investigate options for improving our attendance and enhancing the menu. If you have any ideas contact Lou. We will discuss these ideas, and others you might bring, to our first officer's meeting at 5:30pm just before the July 10 business meeting and we'll plan our brainstorming meeting.

Chaplain's Message

Rolling Down the River

A joyful memory of my childhood came in July 1976, when I saw - all the other little kids in my neighborhood - running down to the river bank, behind our houses. There, floating down the Susquehanna River - was an old style wooden raft, which looked like something out of Huck Finn. Flying from a pole, in the middle of that raft - were the colors red, white and blue - on our American flag. Since that July in 1976 - how many more flags, with those same stars and stripes - have been displayed on homes, at schools, on graves - and on military bases both foreign and domestic, etc. — to show one's love for this nation.

At the U.S. House of Representatives, on 3 July 1974, Rev. Edward G. Latch, offered this prayer below - for our country. Throughout this July, may these words ring true - in all our hearts and homes.

“Blessed is the nation whose God is the Lord (Psalms 33:12).

Eternal God, stir thou our minds and stimulate our hearts with a high sense of patriotism as we approach the Fourth of July. May all that this day symbolizes renew our faith in freedom, our devotion to democracy, and redouble our efforts to keep a government - of the people, by the people, and for the people truly alive in our world. Grant that we may highly resolve on this great day to dedicate ourselves anew to the task of ushering in an era when good will shall live in the hearts of a free people, justice shall be the light to guide their feet, and peace shall be the goal of humankind: to the glory of thy holy name and the good of our nation and of all mankind. Amen.” * Rev. Edward G. Latch

God Bless America,

Rev. Lance S. Martin, Chaplain

From our Faithful Navigator, SK Tom Herwig

Sir Knights, Brother Knights, Lady Knights and Friends

Assembly 2454 held its last meeting of Fiscal Year 2024 in June. We elected our new slate of officers for FY 2025. We will take a meeting break in July and August and resume our meeting schedule in September 2024, 2nd Thursdays at 6:30pm.

The installation of our officers will take place on July 24th at 6:30PM at Columbus Hall. Sir Knight and District Deputy Joe Gangi will conduct the Installation for Council 9053, the Lady Knights and our Assembly 2454. All officers are requested to attend. Let me know if you are unable to be there. I encourage each of our Sir Knights to attend and support their officers.

This summer we will be mailing an invitation to all Knights who are not 4th degree to encourage them to take advantage of an opportunity to become a full 4th degree Knight. The Exemplification will be in our eastern shore area in the fall. Our ability to have it in our area is dependent on having 20-25 Brother Knights sign up. I will let our Sir knights know when we need their assistance to mail the letters to over 200 Knights. Please encourage your brother Knights to take advantage of this opportunity.

I ask all of you to be on the lookout for potential speakers, and military and memorial visit opportunities. Please support SK Charlie Bell and his committee in their efforts to expand into other areas of support for the military, patriotism and the flag.

Pray for all of our sick on the prayer list. If you or your family members and friends need prayer support please let me know. I pray that Mary and Jesus will watch over all of our members and grant the graces that we need to fulfill our roles and responsibilities in the Assembly 2454, Council 9053, and the Lady Knights in 2025.

I wish you all a safe and relaxing summer and a patriotic Independence Day!

**Vivat Jesus, Tom Herwig, Faithful Navigator
Assembly 2454 Pope John Paul II, God Bless America and our Military**

Dear Brothers, Ladies and friends of Council 9053.

It was not a crazy busy month, but there is always activity.

We finished up a couple of things that we began during our May SPRING clean-up day in May. All organizations operating out of Columbus Hall elected new officers.

The major repair—refurbishment completed this month was the new floor put down for the walk-in refrigerator.

Have a great summer... be safe with all the extra traffic and plan for your trip to take a few minutes more than normal... and remember that if you need a great place for a birthday party or a reunion...or whatever... Columbus Hall is available for rental at a very great rate.

AND, remember that we have our annual Cornhole tournament in Salisbury on July 20. In addition, and something almost as important (smile), is our annual officer installation on July 24, 2024 where we will recognize the directors of the Columbus Club as well as install the officers of the Council, the Assembly AND the “the Auxiliary.” Mark your calendar for both events.

LIFE Report from the Director of Council 9053’s LIFE Program... Here are a few notes:

1. Pope Francis: “Overpopulation is a Myth -The world needs more children.”
2. World Health Organization partners with Radical Pro-Abortion Group to push Abortion Worldwide.
3. New Billboard Expose How People Survived Abortion or Were Pressured to Have Abortions.
4. Kamala Harris Compared Pro-Life believers to Child Molesters and Slave Owners. Say what?
5. Melinda Gates is spending \$1Billion Promoting Abortion – and at the same time she claims to be a good Catholic.

Abortion Pills are releasing dangerous chemicals and the remains of in our water. Law maker asked the EPA to specify how it plans to ensure the safety of our waterways and drinking water and to what extent the agency has studied the impact of mifepristone on water systems in the country.

Please continue your Daily Rosary for LIFE from conception until natural death. WE CAN'T SIT ON THE SIDELINES AND EXPECT THING TO CHANGE.

Special Note from the Membership Director (Jack Kelly)

Last month I discussed the great success of the 3-church membership Drive.

This month we had an exemplification to add 8 members to our roster. Great job everyone. With the 8 new members, and a 9th to be added later and three transfers in. It was a great night.

Thank you everyone... and watch this space for our next effort and steps in the development of our new members.

Insurance Report, July 2024

I always think of July as being the midpoint of the summer. I hope your summer is going well and you're getting to enjoy it. Summer vacations, kids out of school, lots of outdoor sports, tending flowers and vegetable gardens. Seems like there is so much more to keep up with than during the winter. Maybe that's what makes it seem like summer goes so fast and winter drags on. Summer will be gone before you know it!

For this month a couple of thoughts come to mind. A case that came up recently had to do with the ownership of life insurance policies. If you have policies on dependent children, it's wise to have a contingent owner listed. A parent is most often the owner of the child's policy, but often there is no provision made on the policy should that parent pass away. Having a contingent owner listed in this situation makes for a smooth transition of ownership. That's one of the many things I can help with when I review policies for you.

Fraternal benefits come with being a member of the Order. One of these fraternal benefits is known as the Spouse's Right to Apply. This benefit is spelled out in each of our insurance contracts and provides a widow with the right to apply for any of our products for up to one year after her husband's death so long as he was an insured member at the time of his death. It's another good reason to become an insured member with the Order. It gives that right to your spouse. One of the advantages of meeting with me is to review just these kinds of situations. I hope to put your mind at ease.

There are many more fraternal benefits. When I meet with a member and his spouse, I try to make sure I explain all of them that are pertinent. This is all in addition to our financial needs analysis tool that can help determine needs. I think this analysis and the insurance products we offer are two of the most worthwhile benefits the Order provides. This is a robust and cutting edge platform that is used throughout the life insurance industry. We used to use a much simpler form called the Family Service Record to help keep track of important household information if the need ever presented itself. Now one of the benefits I provide to you and your family is to go through this financial needs analysis and help determine where you are now and where you want to go. Your financial health is critical to your family's future security. We'll take a look at your dreams, goals and aspirations and help make sure you're on track to make them become a reality. As always, there is never any requirement to purchase any product, but a baseline or periodic check-up is a wise idea.

Vivat Jesus!
Robert Marlowe

BINGO at 9053

SK Tom Anderson, Director

Brothers All, good day! Are you proud to be a part of our Catholic Men's organization with all of our charitable contributions and successes?

Well, let me tell you how **BINGO** helps us. Year after year, **BINGO** is the largest revenue generator we have. Charitable Contributions exceeded \$20,000 this past year—just from BINGO. Our Council could not do what we do without **BINGO**.

You are probably wondering how you can help. We organize **BINGO** services into 4 teams, and each team works one Friday night every four weeks. For two hours, from 5:15p.m. until 7:00p.m., we need 6 guys. Then, we need three guys to stay until 10:00p.m. ONE NIGHT out of each 4-WEEK period. Call today.

Please call me, Tom A., at 410-641-5752, for answers to your questions and to join one of our four teams.
