3 Describe program in detail. Use additional paper if necessary. Supplementary material may be submitted along with the nomination. Accompanying materials can include letters, testimonials, news clippings, photographs, pamphlets, etc. Do not submit tapes, videocassettes, DVD's, display materials, films, etc., as they will not be considered in judging the nomination.

3a) In the space provided below, briefly describe the purpose and goals of this program. This section must be completed.

St. Vincent de Paul (SVdP) is a worldwide organization of lay Catholics, following Christ's call to serve the poor, the suffering, and the deprived. SVdP responds to many community and individual needs through programs such as disaster relief services, job training and placement, thrift stores, food pantries, housing programs, prison reentry, medical services, and many others, always seeking longer-term pathways out of poverty and towards the full flourishing of every person. Here in Ocean City (OC), Maryland, SVdP operates 9 months out of the year due to the influx of tourist and college students during June, July and August. (Continued on Page 3 of 3)

3b) Whom does this program benefit?

The Ocean City St. Vincent de Paul (OC SVdP) society was the most obvious beneficiary, but this was only the tip of the iceberg. OC SVdP received the donated funds and products collected from this joint venture for its direct service to people living in poverty in our community. Through OC's SVdP, local, needy men, women and children receive material assistance such as rent, utilities, food and clothing, as well as, OC's SVdP offers needy persons friendship, understanding and prayer. As apparent as it seems, OC's SVdP and the needy community were not the only beneficiaries of this joint program. Parishioners, neighbors, friends, family and K of C personnel interacted together gaining physical exercise and sharing free time together as a community.

3c) What problem or need did this program resolve?

This program was an excellent way to raise awareness of the issues surrounding poverty, while at the same time, raising money to help neighbors in need. It also brought some very welcomed attention to the great services that the Ocean City St. Vincent de Paul Society accomplishes, and it highlighted the local Knights of Columbus working within our community.

3d) Why did the council select this program?

Our Catholic faith teaches us to "Love thy neighbor as thyself." Members of the Knights of Columbus show love for their neighbors by conducting food drives collecting non-perishable food and gift cards for local food stores and gas stations to donate to local charity facilities. The Friends of the Poor® Walk/Run was another way that our Council recognized that we could help the local Ocean City St. Vincent de Paul Society, which can always use monetary support to purchase food and to offer material assistance to the needy.

3e) Describe the success of the program:

This was a joint effort between Council #9053 and St. Luke's. In the eyes of St. Luke's, it considered the event very successful, a Level 5 out of 5, due to dollars and products collected. From our Council's point of view, the actual participation of our members left much to be desired—a low success, Level 2 out of 5 -- probably for the short notice to our Council's members. Even though we see this success as overall Level 3 out of 5, the Ocean City St. Vincent de Paul (OC SVdP) Society was very grateful to receive the \$2,000 and products collected at this event. Our efforts help the OC SVdP to continue the mission of Jesus Christ to help people living in poverty -- to serve the poor, the suffering, and the deprived. This was our ultimate goal of the program.

3a) In the space provided below, briefly describe the purpose and goals of this program – ***Continued***

As the summer season faded and September was about to begin, this meant that OC's SVdP would begin another season serving our local, needy people/families. It was perfect timing since St. Luke's Religious Education Director, Kim Zarif, who was aware of the annual Friends of the Poor® Walk/Run, contacted Council #9053 to see if we would like to help support this annual event. Through Council #9053 continual interaction with OC SVdP via our local food drives and physically working at this facility, we know that OC's SVdP is always in need of monetary support/donations. Hence, Council #9053 agreed to work on this joint program with the goals of raising funds, as well as, awareness for supporting our neighbors in need—in particular through the OC SVdP. In addition to the two primary goals previously mentioned, Council #9053 saw this effort as a good program to: bring awareness to the local Knights of Columbus Council interacting with the local community; bring families and friends together for some healthy exercise; and enhance the visibility and reputation of the OC SVdP and its special works projects.

3a) In the space provided below, briefly describe the purpose and goals of this program. This section must be completed.

The Lord God Almighty invites us to pray to Him, and Jesus tells us about the power of prayer -- one of the most important spiritual exercises for a believer. In these crazy times, we see the devil working hard against people trying to live their lives in peace and harmony. So, as a Catholic group, we choose to pray in communion for our brothers and sisters with the goal of asking God, through the intercession of Our Lady of the Rosary, for peace in war-torn countries -- especially Ukraine. (continued on reverse)

3b) Whom does this program benefit?

Through this Living Rosary/prayers, we are asking God to intervene and help the Ukrainians to beat the devil at his own game. These people are warm, hospitable people and are very receptive to the Gospel. We see from news reports that the pain of the local people is enormous; however, they do not show fear or despair. They are well aware that their military strength can't match that of Russia, but with our prayers and God's help, we see the Ukrainians not surrendering without a fight and, in fact, regaining some of their land.

3c) What problem or need did this program resolve?

The idea that power is inherent in prayer is a very popular one. Jesus has told us about the power of prayer when he said: "Truly, I say to you, whatever you bind on earth shall be bound in heaven, and whatever you loose on earth shall be loosed in heaven. Again I say to you, if two of you agree on earth about anything they ask, it will be done for them by my Father in heaven. For where two or three are gathered in my name, there am I among them." (Matthew 18:18-20). Hence as a group, we gathered to pray/petition God to help war-torn countries and have peace prevail once again.

3d) Why did the council select this program?

All of us, at one time or another, have seen what the power of prayer can accomplish. We believe that prayers could stop the devil actively trying to cause chaos and take over a peaceful country. This devil wants to make the Ukrainians become second-class citizens again like they were during the Soviet era, so we selected this visual Living Rosary as a way to ask God to help this country -- intercede for the people of Ukraine.

3e) Describe the success of the program:

In our Living Rosary, 60 persons stood in designated spots holding a rose, which represented a bead of the Rosary, while others in the Church sat in the pews. Each of the 60 persons with roses lead the group in prayer when it was their turn. As the person lead his/her prayer, another person gathered the roses representing that decade of the Rosary and placed the roses in a vase in front of Blessed Mother Mary's statue. What could have been complete chaos turned out to be a powerful testament to the Rosary coming alive for all the participants in Church. It brought people together interceding for the war-torn countries, especially Ukraine, and kept them captivated for more than 40 minutes. For Ukraine, we are more united than ever; we keep praying for them that God will help them. After completing the Rosary, participants filled out Spiritual bouquet cards that we sent to (Continued on Page 3 of 3)

Program Title: **Living Rosary for Peace**

3a) In the space provided below, briefly describe the purpose and goals of this program – ***Continued***

The power of prayer is, quite simply, the power of God, who hears and answers our prayer. By this Living Rosary, we brought this beautiful prayer to life by involving everyone — body and soul. Together, our prayers move the heart and hand of God, and hopefully, this movement will bring peace back to Ukraine thus defeating the devil.

3e) Describe the success of program – ***Continued:***

St. Nicholas Ukrainian Parish in Wilmington. As Catholics, we possess the hope of the victory of good over evil -- we believe that good will prevail with God's help. We also pray for those who want to harm people/countries and that the Lord will avert their evil intentions and guide them to the path of peace.

3a) In the space provided below, briefly describe the purpose and goals of this program. This section must be completed.

A key principle of the Knights of Columbus is Charity, and a food drive is a form of Charity—it is generosity with a capital 'G'. With 1 in 7 people in the United States counting on food pantries for some of their nutrition, food drives can play a critical role in keeping shelves stocked for those in need, as well as, helping shelters feed the homeless and less fortunate members of our community. (Continued on Page 3 of 3)

(continued on reverse)

3b) Whom does this program benefit?

The initial benefactors of Council #9053's food drive efforts are: The Joseph House (Salisbury), Diakonia (West Ocean City) and St. Vincent de Paul (Ocean City). Through these organizations, our donations ultimately flow down to the local needy individuals/families, whom receive the most benefit. These donations play an important part in improving the quality of life for those who are living in poverty, have low-incomes and/or are in homeless circumstances. These individuals include infants, children, children in foster care, families, men, women, veterans and the homeless on the Lower Eastern Shore.

3c) What problem or need did this program resolve?

Although Council #9053 cannot solve the entire 'needy' situation, we feels that our food drives and gift card collections donated to our local food pantries and shelters allow these organizations to serve our local needy neighbors with dignity. These organizations can better enable people to break free from poverty by providing additional support to help them resolve the crises that they are facing. The immediate aim is to provide help by giving food and extending a hand of friendship to our less fortunate neighbors feeling the economic pinch; the ultimately aim is help these service organizations to offer additional services like debt advice, mental health support and/or benefits guidance to these needy clients. Food drives are also a great way to raise awareness about hunger and inspire the more fortunate people to help provide alms in the future.

3d) Why did the council select this program?

The right to food is essential for a dignified life, and it is vital for the realization of many other rights such as the rights to health and a good life. Food is important not just for survival, but also for the full development of one's physical and mental capabilities. Fr. McGivney believed that we should not have an aloof attitude or be separated from people and their problems; his primary concern was for the love and welfare of all individuals. So since the greatest of all virtues is charity or love, we see holding food drives as an extension of Father McGivney's vision for his Knights to make a difference in many of lives and to bring hope and healing to countless others.

3e) Describe the success of the program:

Hunger exists in every state and county in the United States, and the Ocean City area is no exception. Our local food pantries and shelters rely on the donations they receive to help keep their shelves stocked and provide other services. Through our food drives, Council #9053 has collected \$1,625 in cash and gift cards and 169 boxes of food to donate to these local facilities. What a rewarding example of Charity -- sharing with those less fortunate to improve their quality of life.

Program Title: **Food for Families**

3a) In the space provided below, briefly describe the purpose and goals of this program – ***Continued***

Through close contact with the Ocean City St. Vincent de Paul (OC SVdP) Society, Council #9053 knows that OC SVdP prefers food store and gas station gift cards, as well as, monetary donations. The food cards enable OC SVdP to make bulk food purchases taking advantage of more food for less money, and the gas station gift cards enable clients to purchase fuel for medical and work traveling expenses. Hence, Council #9053 encourages contributors to donate not only non-perishable food items but also to donate food store gift cards, gas station gift cards and monetary donations.

Presentation of Gifts Cards and Check Ocean City St. Vincent de Paul

Thank You Note from Diakonia

Thank You

Thank you to the Ocean City Knights of Columbus for collecting nonperishable foods for Diakonia's food pantry. The total weight was 1,463 pounds.

3a) In the space provided below, briefly describe the purpose and goals of this program. This section must be completed.

Our goal for this program was simple – it stemmed from the corporal works of mercy dealing with care for a person's bodily needs with food and water standing at the top of the list and clothing comes right behind as the next need. Council #9053 has provided monetary donations to Ukraine to help with food and water. Now we wanted to help the humanitarian crisis -- providing clothing. We wanted to make a difference to help save lives during an aggressor's senseless war (Continued on Page 3 of 3)

(continued on reverse)

3b) Whom does this program benefit?

Our primary goal was to benefit the Ukrainian people who have lost so much – their homes, their belonging, as well as, the troops who are in the fields and trenches defending their country from a real-time devil. A secondary goal is state-side -- as people able to help and sacrifice during our traditional Thanksgiving season, we have reaped the internal benefit of knowing that we are doing Christ's work – clothing the needy.

3c) What problem or need did this program resolve?

As temperatures drop in Ukraine and living conditions become deadly for Ukrainian people, sending new thermal clothing provides the difference between life and death for these destitute people – troop and families alike. It also gives this war-torn country hope knowing that people in other countries care for the Ukrainian people showing compassionate and empathetic for them during such a senseless war and as freezing temperatures arrive.

For our clothing drive, we choose to ask people to donate new, unused thermal clothing to eliminate an unnecessary problem for the Ukrainian people to have to sort through unusable clothing. These people have enough issues trying to survive so we wanted our 'alms-giving' effort to be effective immediately.

3d) Why did the council select this program?

Beginning the Knights of Columbus Fiscal Year (FY) 2021-2022 and continuing in FY 2022-2023, Council #9053 has held charity fundraisers and donated monetary support to the Ukrainian Relief Fund. During this timeframe, we have seen the destruction of houses and lack of access to fuel and electricity in Ukraine. With the winter season approaching, a St. Luke's parishioner, who immigrated from Ukraine to the America and who still has family in Ukraine, as well as stateside, suggested collecting new thermal clothing to send to the Ukrainian people. When Council #9053 heard this idea and having previously completed several successful joint efforts with St. Luke's, we knew that together our Council and St. Luke's could help families and friends in the cross-hairs of this crisis. We could help save lives in Ukraine. (Continued on Page 3 of 3)

3e) Describe the success of the program:

This joint effort was a very successful endeavor. In the words of St. Luke's Religious Education Coordinator, Kim Zarif, "The Ukraine drive was so successful-thanks to the KoC/Lady Knights participation. When we work together, nothing is impossible!" We collected eight (8) huge boxes of thermal clothing plus \$300 to help to cover the shipping costs. Physically, this shipment of clothing will help protect the Ukrainian people from the elements. The shipment of clothing began its journey on 23 November 2022, and it arrived in Dnipro (formerly called Dnepropetrovsk) Ukraine on 10 January 2023.

PROGRAM INFORMATION:

Program Title: **Ukraine Clothing Drive**

3a) In the space provided below, briefly describe the purpose and goals of this program – ***Continued***

on the Ukrainian country – especially during this country’s winter season by providing winter clothing and tangible items such as sleeping bags, military blankets, thermals socks, gloves, long sleeve underwear and pants, hunter suits and hats. Jesus described this merciful work as “naked and you clothed me” (Matthew 25:36). Nakedness can mean nudity, the complete lack of clothing, but more often as in Ukraine, it means partial or inadequate clothing.

3d) Why did the council select this program – ***Continued?***

Coupled with knowing that for the Ukrainian people surviving the winter would be difficult and could become a matter of life or death, we began our joint effort to collect sleeping bags, military blankets, thermals socks, gloves, long sleeve underwear and pants, hunter suits, and hats. As an additional incentive, this parishioner told St. Luke’s and our Council that she has a stateside family member who owns an international shipping business. This relative volunteered to help pay for the shipping of our donations via his business. This effort quickly became a ‘no brainer’ and came to fruition.

Subject : Ukraine Clothing Drive - Seton Center

Good Morning Kim,

Hope you had a nice Thanksgiving.

How did the Ukraine Drive go? I hope it was successful.

Are you still planning on the Food Drive for the Seton Center? I didn't see anything in the bulletin. If you are still planning the drive for this month, can you please send the details. I will put something out to the Knights, and we want to put together a bag of food.

Thanks,

Tom

Hi Tom,

I had a peaceful Thanksgiving-hope the same was for you!

The Ukraine drive was so successful-thanks to the KoC/Lady Knights participation. When we work together, nothing is impossible!

I attached our Seton Center project. This is absolutely fantastic; the reverse Advent calendar. For those who are able to participate, it reminds us to always think of the needy in our community.

I know you all just had a food drive, but this food drive has a 'spiritual' side to it!

Thanks again for working with us.

Wishing you a fruitful Advent journey,

Kim

Hi Tom

Wanted to let you know that the Knights donation is going to help the people in Dnipro who the russians bombed on Friday. Elena's friend is dropping them off today to a site that has been set up to give aid.

Thanks again

Dan
